Celebrity manicurist Jenna Hipp gave actress Megan Fox a pristine manicure using Orly International's muted gray Mirror Mirror lacquer for the October cover of *Cosmopolitan*. Typically, *Cosmo* sticks to sheer peaches and neutral polishes for cover shoots, but

Hipp convinced the beauty editors to break their color rules with this stunning concrete gray lacquer, which she explained is "a little bit naughty and a little bit nice—fitting for Megan!" This season, gray lacquers are an ideal choice for a neutral shade with a kick!
